

Best Pentest Vendors for SaaS Startups in India (2026)

Picking a pentest vendor as an Indian SaaS startup founder in 2026 is a decision with three traps: paying too little for a scanner-rebadged-as-pentest report that auditors reject, paying...

- 1 Buyer's first question is rarely cost.
- 2 8 vendor evaluation criteria:
- 3 5 vendor archetypes
- 4 Pricing benchmark (market observation, not a published rate card).
- 5 Most common red flag:
